

Cape Point – Full Day

Our journey to Cape Point takes us along the scenic Atlantic seaboard coastal road. We pass the pristine beaches of Clifton and Camps Bay with their soft white sand and assure blue water. The formidable 12 Apostles Peaks rise above the road on one side, while shear cliffs and incredible rock formations drop into the icy Atlantic Ocean on the other side. There is no doubt the coast of the Cape peninsula offers magnificent scenery with its great biodiversity.

We arrive at the quaint fishing village of Hout Bay with its imposing Sentinel. Visit Seal Island (own account) or shop for souvenirs at the craft market at the harbor.

Our tour continues over Chapman's Peak which offers amazing photo opportunities, and onto the Cape of Good Hope Nature Reserve. This area is home to magnificent 'fynbos', many different species of buck and birds, the Cape Mountain Zebra, and mischievous baboons. These creatures entertain guests enjoying lunch at the restaurant which has splendid views of False Bay. Take the funicular (own account) to the lighthouse to see the meeting of the Atlantic and Indian Oceans at the Cape Point.

We visit Boulders Beach to see the Jackass penguins (own account) before arriving at the naval base of Simonstown, and then we venture inland to our last stop of the day at Kirstenbosch Botanical Gardens (own account +- R75.00). With the sun setting over the tall peaks of Table Mountain the last rays sparkle on the trees and flowers, and offer a fitting end to a day filled with all the Cape has to offer.
