

Victoria Falls, Zimbabwe & Zambia

Victoria Falls is a waterfall in southern Africa on the Zambezi River at the border between Zambia and Zimbabwe. It has been described by CNN as one of the Seven Natural Wonders of the world.

Travel Insurance: Travel Insurance **Including** Medical Evacuation is **Highly Recommended** – to be purchased within your Country of Residence.

Health Precautions prior to departure: When you use medication, and need to bring it on your holiday, make sure to bring a health card that states you need the medication and keep it with your other important travel documents. This to prevent your medication being mistaken for illegal drugs.

Malaria: Zimbabwe & Zambia are Malaria areas. For advice on the use of any malaria prophylaxis, please consult with your local health authorities or local travel clinic. It is recommended to cover your arms, legs and feet in the evenings, apply a mosquito repellent and use mosquito net. Do not wear strong perfumes or scented creams as these attract insects.

Vaccinations: Please consult with your local health authorities or local travel clinic for Vaccination requirements for each destination you intend to visit. Vaccinations against Hepatitis A & B, Typhoid, Cholera & Yellow fever is recommended.

Diarrhea: Change in your daily routine, climate and food can upset your digestive system. Make sure to keep hydrated.

Bilharzia: Avoid infection by tiny worms by not swimming in still standing water.

Sunstroke: The African sun can be ferociously strong. Always apply sunscreen, also in winter. Avoid sunstroke by covering your head with a hat or cap and by wearing sun glasses. Always have a bottle of water with you. Sunstroke symptoms are light headedness or headaches.

Healthcare after you return home: If you are feverish, bowel problems or other physical discomforts after your return home (up to several months after your flight back), please contact your doctor as soon as possible and indicate that you have been travelling.
