

History of Human Kind & Lesedi

We're going right back to our beginnings, to the exceptional World Heritage Site of The Cradle of Humankind. The superb Maropeng Visitor Centre is truly an exciting, world class exhibition, focusing on the development of humans and our ancestors over the past few million years.

From past to present, we'll be exploring five cultures at the Lesedi Cultural Village, heart and home to families of a range of African tribes, all living harmoniously in traditional homesteads.

You'll be right there experiencing the warmth and hospitality of people from the Zulu, Xhosa, Ndebele, Sotho and Pedi cultures, and you'll find it fascinating!

Our multilingual, multi-visual orientation depicts the history of South Africa, and will deepen your understanding of the complexity of our multicultural community.

We will enjoy a traditional African meal, a fine way to round off a day of new experiences and fresh insights.
