

## Cultural Visit & Robben Island

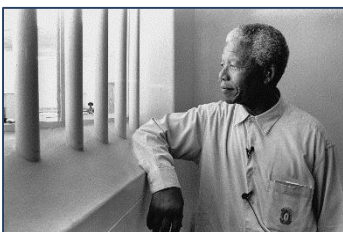

Complete your cultural experience by extending the morning Township Visit Tour to include a visit to Robben Island in the afternoon. Please note that this is subject to availability of the 13:00 ferry and the Robben Island time-table.

Board the Robben Island ferry and enjoy spectacular views of Cape Town and Table Mountain as you sail across the bay to this island which is so full of history.

Once you reach the island you will be given a guided tour and see the prison cell that held Nelson Mandela captive for so many years.

Your return to your hotel is included. Please advise your guide before boarding the ferry if you require transport back to your hotel when you return from Robben Island. You may prefer to stay at the Waterfront for dinner.

Handy tip: Sun protection, protective clothing and preventative treatment against seas sickness are advisable.
