Ref: Temporary Export of Firearms

Dear

This letter is to confirm that you can lawfully temporarily export the following firearm and ammunition subject to certain conditions being met:

Firearm details: Mauser Rifle M007793
Sako Rifle 138414 + SUPPRESSOR
Ammunition details: 40 Rounds

From the United Kingdom as a UK Permit holder of above firearms and ammunition to South Africa for hunting.

The details of your UK Firearms Certificate are as follows:

issued by the

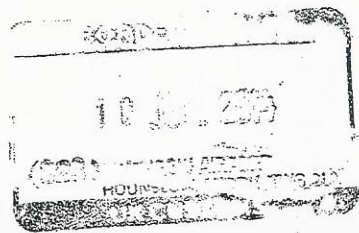

Police and valid until

The Export Control Order 2008 section 16 (1) onwards provides a licence exemption for firearms which are carried as personal effects. Therefore as long as you can meet the conditions you do not require an export licence.

I would recommend that you read the relevant sections in the Export Control Order 2008 to ensure that you can meet the conditions of the exception.
